**A senior programmer/developer**

## Overview

My name is Agu Ogan Success, I'm a skilled senior developer/programmer with experience in JavaScript, Python, PHP, TypeScript, Html(5), CSS(3) and expertise in frameworks like React, Node.js, Express, Angular, Vue, Django, and Three.js, and all of the latest libraries. I am updated with any strong and new features, libraries and packages that comes out, very good in Data Analysis and NETWORKING. I expertise in react native to create scalable applications, going together with native languages such as C, C++, C#, Java, etc... I'm a quick learner and collaborate closely with clients to create efficient, scalable, and user-friendly solutions that solve real-world problems. Let's work together to bring your ideas to life!

I recommend checking out my Portfolio with the link below if you haven't
